

# Summer Session 2014

## SUMMER SESSION ENRICHMENT

*For students entering 6th, 7th or 8th grade*

**JUNE 23-JULY 3**

8 CLASSES—MONDAY THRU THURSDAY

Cost: \$75 per or three for \$200 (plus a \$15 registration fee)

### Hands on Science

Instructor: Mr. Forsyth

This two week experience will be divided into two of the major science groups—Physics and Chemistry. Each day will be filled with a combination of science demonstrations and hands-on activities that introduce foundational concepts within in each field of science. Week one will focus on Physics principles and week two will focus on Chemistry Principles.

### High School Prep Writing and Reading:

Instructor: Mrs. Ball

This course is designed to prepare 7<sup>th</sup> & 8<sup>th</sup> grade students for a high school, college-prep English curriculum. It will help students develop academic skills and self-confidence and be better prepared for further academic study at the high school level. Reading comprehension will emphasize the identification of themes, interpretation of cause-effect relationships, and the drawing of conclusions from a variety of literary selections. Various literary forms, such as short stories, essays, speeches, and poetry will be explored.

### Lights, Camera. Action: Drama 101

Instructor: Mr. Freund

The new Drama Department at La Salle High School is offering a two week summer class for would be actors grades 6-8. We will create skits (individual or group). We will learn voice projection, stage action , and costume design. This effort will culminate with a stage presentation in front of an audience at the end of camp. A real hands on experience!

#### SCHEDULE FOR MIDDLE SCHOOL EACH DAY

*60 Minute Periods • 5 Minute Passing Time*

8:25 ..... First Bell  
8:30 – 9:30 .....Period 1  
9:35 – 10:35.....Period 2  
10:45 – 11:45 .....Period 3

### Summer Fun With Art

Instructor: Mrs. Jones

Activities will include the exploration of different types of abstract artworks; campers will have the opportunity to create their own masterpieces in the form of mosaics, jewelry, and framed art. Each artist will use egg shells, (and pine needles if time allows), glue and a candle, shrinky dinks, and paint as well as sharpen their drawing skills and coordination with scissors.

### Journey with Lewis and Clark

Instructor: Mr. Lamb

This is a hands-on social studies experience developed for middle school-aged students that concentrates on the Lewis and Clark Expedition. The class incorporates the disciplines of history, geography, science, mathematics, language arts, Native American studies, and adventuring. Some of the learning will involve studying Lewis and Clark’s journals, reading excerpts from Stephen Ambrose’s *Undaunted Courage*, and a variety of hands-on activities that will put kids in similar situations that members of the Corps of Discovery would have experienced. Explore and discover a fun learning experience, adventuring through the journey of Lewis and Clark.

### String Orchestra for Fun

Instructor: Mrs. Baisinger

A two hour String experience in a relaxed, fun session for violinists, violists, cellists ad even string bassists! Anyone of any age that has passed Book II is welcome! We will enjoy many styles of music and play a concert on the last morning.

\* This course will run for the two weeks of our Enrichment Session, Monday–Thursday, but will run for TWO HOURS,

# HIGH SCHOOL PREP PROGRAM

JUNE 23-JULY 17

*For students registered for Fall enrollment as 9th graders at La Salle*

Cost: \$100 per Math and English course (plus a \$15 registration fee)

## ALGEBRA PREP

Instructor: Mr. Forsyth

This course is offered to incoming 9<sup>th</sup> graders who meet one of the following criteria: students with low math entrance exam scores who need to review in order to succeed in Algebra I, or students who would like to enhance their Algebra skills in order to become more successful in Algebra I. The material covered in this class will be math topics spanning from Pre-Algebra to basic Algebra skills.

## ENGLISH PREP

Instructor: Mrs. Ball

This course is designed to allow incoming freshmen an opportunity to explore the world of literature that they will discover in their high school years. It introduces them to the high school English environment, including lecture, large and small group discussions of short stories, poems, non-fiction and the study of the novel. Skills in note taking, organizing a note book, reading comprehension, and vocabulary development are included. This course is also designed to review the elements of writing necessary for entry into the 9<sup>th</sup> grade, and students will receive assistance with their summer reading assignment. The class stresses grammar, both formal and creative writing, and the writing process used in all the English classes at La Salle.

SCHEDULE FOR EACH DAY	
90 Minute Periods • 5 Minute Passing Time	
8:25.....	First Bell
8:30 – 10:00.....	Algebra Prep
10:00 – 10:10.....	Break
10:15 – 11:45.....	English Prep

# CREDIT RETRIEVAL

JUNE 23-JULY 17

*For current La Salle students.*

Students who are required to make up a class in order to be re-admitted to La Salle in the fall must attend this summer session. Students will complete online courses under the supervision of a La Salle summer school teacher. The duration of this course will depend on the number of courses a student is required to complete. Families must register with and make payment to our online school partner in advance of the start of summer school. All courses must be approved by the Dean of Studies prior to enrolling. Contact Br. Dan at [brodan@lasalleyakima.org](mailto:brodan@lasalleyakima.org) for approval.

# CAMP COLLEGE

*For current La Salle Students, Class of 2015*

June 16-19th 9:00-11:30 AM \* Cost: \$60 (plus a \$15 registration fee)

Camp College is a four day seminar for incoming seniors. Students will be given the necessary tools to continue their college search and essay writing throughout the summer. They will become familiar with computer and internet tools available to them. They will receive individualized help as they create an organizational system for the college search and application process, complete a practice common application, write a first draft of the personal statement (college essay) and develop an individualized college comparison chart and calendar that will help them meet deadlines. Discussion topics include college visits, interviews, recommendations, FAFSA, financial aid and scholarships.

## LEAP

LASALLIAN EDUCATIONAL ADVANTAGE PROGRAM

*La Salle High School has a mission of providing a human and Christian education to young people, especially the poor. We strive to be an inclusive community who is at the service of our larger valley community. With the intent of making a Lasallian education accessible to our larger community, La Salle High School has committed to making tutoring centers available through the summer for middle school children free of charge. Teachers and tutors will be present in each center to work with students on English, Math, Study Skills and other academic areas as needed.*
